

Visual Fractions Instruction and Practice Files

These fraction files can be found in three folders, a fractionslidespps folder, a fractionslidespdf folder a fractionworksheets folder.

Fraction Slides

The fractionslidespps folder contains instruction files that can be viewed with Microsoft PowerPoint®. The fractionslidespdf folder contains the same instruction files that can be viewed with Adobe Reader®.

The fractionslides files can be viewed by Adobe Reader® or PowerPoint® in this order:

TITLE	FILE NAME
HOW TO IDENTIFY FRACTIONS	Identify.pdf
HOW TO RENAME FRACTIONS	rename.pdf
HOW TO COMPARE FRACTIONS	compare.pdf
HOW TO ADD FRACTIONS	add.pdf
HOW TO SUBTRACT FRACTIONS	subtract.pdf
HOW TO MULTIPLY FRACTIONS	multiply.pdf
HOW TO DIVIDE FRACTIONS	divide.pdf

The worksheets in this series use pictures to show renaming, comparing, adding, subtracting, multiplying, and dividing fractions.

View identify.pdf for instruction and then practice with the Numerator and Denominator, Circle to Line, Line to Circle, and Number Symbols worksheets.

View rename.pdf and then practice with the Mixed to Fraction, Fraction to Mixed, and Rename Fractions worksheets.

View compare.pdf and then practice with Compare Fractions worksheets.

View add.pdf and then practice with Add Fractions worksheets.

View subtract.pdf and then practice with Subtract Fractions worksheets.

View multiply.pdf and then practice with Multiply Fractions worksheets.

View divide.pdf and then practice with Divide Fractions worksheets.

There is an answer sheet in each topic folder for all examples in that topic

Fraction Worksheets PDFWorksheets Folder

NUMERATOR AND DENOMINATOR numeratoranddenominator.pdf

Numerator and Denominator 1 with Circles

Numerator and Denominator 1 with Lines

Numerator and Denominator 2 with Circles

Numerator and Denominator 2 with Lines

Numerator and Denominator 1 with Lines or Circles

Numerator and Denominator 2 with Lines or Circles

Numerator and Denominator Answers

NUMBER SYMBOLS numbersymbols.pdf

Number Symbols 1 with Circles

Number Symbols 1 with Lines

Number Symbols 2 with Circles

Number Symbols 2 with Lines

Number Symbols1 with Lines and Circles

Number Symbols2 with Lines and Circles

Number Symbols3 with Lines and Circles

Number Symbols4 with Lines and Circles

Number Symbols Answers

MIXED TO FRACTION mixedtofraction.pdf

Rename Mixed to Fractions 1 with Circles

Rename Mixed to Fractions 1 with Lines

Rename Mixed to Fractions 2 with Circles

Rename Mixed to Fractions 2 with Lines

Rename Mixed to Fraction with Lines or Circles 1

Rename Mixed to Fraction with Lines or Circles 2

Rename Mixed to Fraction Practice

Mixed to Fractions Answers

FRACTION TO MIXED fractiontomixed.pdf

Rename Fraction to Mixed with Circles

Rename Fraction to Mixed with Lines
